

Arca Compatible
to fit suitable heads

Any Tripod
can be a gun rest

Picatinny Rail
attaches to rifle

Rapid Release
Picatinny rail clamp

ENDEAVOR LDA G2

Make any Arca compatible tripod a gun rest for rifles with a Picatinny Rail

Designed primarily to be used with the **ENDEAVOR PIC RAIL** that attaches to the sling stud of your rifle (not included)

TIP

You should be able to use any Picatinny Rail though you may need to adjust the tension on the clamp slightly for the best fit
