

Rear & Top Access
to your kit

Tripod Holder
on front (or side)

Storage
for accessories

USB Connector
to charge on the go

VEO ADAPTOR R

Lightweight, modern backpacks that are designed to carry a surprising amount of kit, including a camera with up to a 150-600mm lens attached, with space for additional lenses

Comfortable Harness
with chest strap, and a
waist strap that tucks
away into the bag
when it's not needed

Laptop Pouch
that fits up to a 16"
MacBook Pro so you
can edit your images
on the go

Weatherproof
and durable material in
case you get caught
out by the weather.

Rain Cover
to protect your kit on
the wettest days so you
don't have to abandon a
shoot
